

BARK BLEND

Premium Reptile Bedding & Litter

- Encourages natural digging and burrowing behavior
- Evenly distributes heat and humidity throughout the terrarium
- 100% organic—made from natural bark

Is an ideal ground cover for tropical and forest habitats. Made from premium fir bark, Zilla Bark Blend is heat treated to efficiently absorb moisture which helps maintain humidity levels in the terrarium. This also eliminates the unwanted pests that are naturally found in bark creating a healthy environment for your reptile.
