

TURTLE CHASERS

FLOATING TREATS

THE TASTE THAT TURTLES CHASE!

Treats are supposed to be fun and interactive. Zilla Turtle Chasers float and encourage aquatic turtles to chase them around the habitat. Treat time becomes playtime and is fascinating to watch as turtles hunt down and nibble off bits until the entire morsel is devoured. Made with real shrimp and clam, these treats are naturally attractive and nutritious too.

Two varieties:

Shrimp: Gammarus shrimp, a favorite turtle treat, high in protein and a natural calcium source.

Clam: An excellent protein source, great for providing variety in your turtle's diet.

Also recommended for aquarium fish and koi.
