

BEDDING GUIDE

Choose the right bedding for your reptile

ZILLA
REP YOURSELF™

REPTILE BEDDING

Bark Blend

- Encourages natural digging and burrowing behavior
- Evenly distributes heat and humidity throughout the terrarium
- 100% natural bark

Coconut Husk Brick

- 100% natural
- Holds moisture
- Ideal for egg incubation

Desert Blend

- Creates a natural and attractive desert environment
- Excellent heat conductor
- Stimulates natural digging and burrowing behavior

Jungle Mix

- 100% natural – ideal for tropical and forest habitats
- Holds moisture for humidity-loving reptiles
- Promotes digging, breeding and egg incubation

Snake & Lizard Litter

- Laboratory grade – choice of professional herpetologists
- Heat treated and ultra absorbent
- Hypo-allergenic – does not contain harmful aromatic oils
- Environmentally friendly; Aspen chips are biodegradable

Terrarium Liner

- Absorbent, non-abrasive material will not irritate
- Cannot be ingested
- Made from recycled materials
