

WATER REPTILES RULE

INCANDESCENT LIGHT & HEAT BULBS

**A TIME-TESTED SOLUTION
FOR REPTILE HEALTH AND
COMFORT**

The proven reliability of incandescent bulbs makes them ideal for entry level terrariums, and added features mean they're an attractive addition to any setup. Zilla bulbs also feature heavy-duty filaments that yield more hours of service from every bulb. Choose from a full selection to meet specific pet care needs.

FEATURES AND BENEFITS

- Ideal for tropical and desert habitats
- Heavy duty filaments for longer bulb life
- Provides necessary heat source for a healthy reptile environment
