

TERRARIUMS & ENCLOSURES

IDEAL STARTER KIT FOR JUVENILE DESERT ANIMALS

This complete starter kit makes owning your first desert animal easy for the beginning hobbyist. The compact size 10 terrarium is ideal for temporarily housing any juvenile animal or as a permanent home for smaller animals that generally inhabit desert environments. Simply add your own food and water bowls and decór to help your juvenile animal grow up healthy and strong before transferring to a larger enclosure or to help your small animals feel at home.

FEATURES AND BENEFITS

- **Premium quality 10G glass water-tight terrarium.**
- **Dome light fixtures and bulbs provide healthy amount of heat and light.**
- **Temperature/humidity gauge for monitoring your pet's environment.**
