REWARDS

40 Breeder Glass Terrarium & Sliding Lockable Cover Screen

COMPLETE KIT INCLUDES:

Humidity & Temperature Gauges

An ideal gauge to monitor humidity and temperature, the two critical factors in reptile activity, disease resistance and breeding success.

Lizard Lagoon™ Stone Bowl

Heavy duty glazed stoneware, hand-finished to capture the look of a natural watering hole; glazed for easy maintenance.

Bearded Dragon Food

Provides the necessary nutrients for excellent growth, color and good health.

Terrarium Liner

Easy to clean liner is treated with bio-enzyme to help reduce reptile odors.

Kidney Dish

The shallow rim gives your reptile easy access to food while the ceramic finish makes cleanup a snap.

Day Blue Light Bulb

Two-in-one bulb provides color-enhancing blue light and heat.

Night Black Heat Bulb

Maintains optimum nighttime warmth, while casting a gentle lunar glow that puts your pet naturally at rest.

Desert 50 UVB Fluorescent Coil Bulb

Optimized for the UVA & UVB light a basking reptile craves, yet super efficient and designed for 3,500 hour bulb life.

Two (2) 8.5" Reflector Domes

5.5" Reflector Dome

Three reflector domes for both incandescent heat bulbs and fluorescent UV bulbs. Ceramic sockets last for years.
